

Instructions - Cut round outlines, fold on black lines and glue or tape tabs -- remember to leave hinge on each side of door! (if you are very fortunate, and have a cordless mouse, you can skip leaving a tail hole!)

If more mice need homes?

Then download at www.mcleman.net the .pdf file - (link at bottom of home page) and print (in colour) as many as you need on card or photo paper !

(The roof is on page 2)
